

Paint By Numbers

POP UP

Dan Robbins, the inventor of Paint By Numbers, died in April 2019 at the age of 93.

This 1950 Art Invention has inspired millions of art pieces ranging from children's coloring books to masterpiece imitations.

Now it's your turn!

Find a paint by numbers kit at your local art supply store or online. Complete the kit, or incorporate it into your art work, and showcase your piece as part of our Paint By Numbers Pop Up!

Get creative, but remember your piece must be based from a kit.
