Join us as some of our beloved Morean artists share their tips, tricks, and tidbits for building a sustainable art practice.

April 19: Richard Seidel..................................................Confessions of an Artist-in-Residence

June 21: Leslie Neumann..............................................Art & Environmental Activism

August 16: Betsy Lester..................................................How an Artist Installs the Members Show

October 18: Myron Hansen.................................Balancing an Art Practice with a Teaching Career

Join us on these select **THIRD THURSDAYS** from 6-7:30 pm.

Cash Bar Available
