The Morean Summer Art Camp depends on productive, energetic, helpful, and friendly teacher’s assistants. It is important that a classroom assistant can interact with all types of children, work well with instructors, and show an interest in art.

Please read the following Summer Camp Assistant requirements and return your completed availability form to the Morean Arts Center.

2. **Assistants** must be able to commit to a minimum of one full week of summer camp.
3. **Assistants** must be available to work Monday - Friday from 8:45am to 3:00pm.
4. **Assistants** must attend at least one training session prior to summer camp to help familiarize them with the Morean facility and become better aware of what is expected of them during camp.
5. **Assistants** must stay on the Morean campus at all times, unless there is written consent from a parent or guardian.
6. **Assistants** dress and appearance must be considerate of the fact that they are working with children.
7. **Assistants** are to be enthusiastic and responsible with the children in camp.
8. **Assistants** will be assigned to one group and will stay with this group at all times.
9. **Assistants** will give instructors their full support at all times.
10. **Assistants** will treat their responsibilities as serious as they would treat any other job.

The Morean Arts Center reserves the right to, without question, ask a volunteer to leave if their behavior is inappropriate in any manner.

I understand and accept the rules and regulations set forth by the Morean Arts Center as a Summer Camp Assistant.
